Housing Options for Return Students Are you a return student searching for your own housing? There are two apartment buildings close to Schlitterbahn and shopping that offer short term leases to students. You are responsible for arranging your own housing. Schlitterbahn will not contact apartments for you or make arrangements for you. When you call or email them, remember to ask about the monthly rent, deposit costs and utility costs.

Schlitterbahn Galveston Island has reached their maximum number of “return” work and travel student contracts. Due to popular demand, Schlitterbahn Galveston Island had to limit the total number of return students to their work and travel program for 2010. We are no longer accepting return student contracts or independent hire contracts. We will only hire students on the Asia CIEE Roadshow taking place in late February/early March.

Schlitterbahn will be participating in the Asia CIEE Road Show traveling to Taiwan, Malaysia, Hong Kong and China in February and March 2010. Kimberly Danesi, from Schlitterbahn Galveston Island Waterpark will be in Taipei February 26th, Kuala Lumpur February 28th, Hong Kong March 3rd and Beijing March 5th. To be considered for employment, first time Schlitterbahn employees must participate in a CIEE International Roadshow, including an interview with our Recruiter, Kimberly. Schlitterbahn will not hire students who they do not meet in person on Roadshows. *If you have worked for Schlitterbahn previously, please see the next section on “Former” students.* For more information about CIEE International Roadshows, please visit www.ciee.org.

Schlitterbahn is adding another park to our Family! The new addition will be the 5th park for Schlitterbahn Waterparks and will be located in Cedar Park, Texas. It joins Schlitterbahn Waterpark (New Braunfels, Texas), Schlitterbahn Beach Waterpark (South Padre Island, Texas), Schlitterbahn Galveston Island Waterpark (Galveston, Texas) and Schlitterbahn Vacation Village (Kansas City, Kansas). Employee Break Room TV & Games We installed a new 32 inch flat screen tv with satellite television service in our employee break room. We’ve also purchased games you can check out with your employee id when you’re on your lunch break, waiting for the van to the University Apartments or looking for something fun to do at the end of your shift.
